SYNOPSIS

Peter Pan is a timeless tale of the boy who wouldn't grow up. He and his mischievous fairy, Tinkerbell, take the Darling children on a magical adventure across the stars to Neverland. Come join us as they deal with the nefarious Captain Hook, his sidekick Smee and the bungling band of pirates.

DIRECTOR'S NOTE

"All the world is made of faith, trust, and pixie dust..." What a wonderful way to live one's life! Dreaming of adventure, hoping to be whisked away to a place where stories come alive, Pirates await to be challenged and Lost Boys endlessly play in the magic of Neverland!

I love to select shows that teach a life lesson while telling a significant story with an outcome that everyone can bring back to their own lives... so what can we learn from 'Peter Pan'?

- Happy thoughts make us fly! We feel uplifted when we're happy and choose those thoughts!
- If you believe in something... it comes to life! Can you imagine what we can achieve if we all believe in each other?
- Growing Up is Life....sometimes painful but most of the time wonderful! You can grow up and still be young at heart.

Peter Pan gives us an opportunity to see ourselves in one (or more) of the characters - are you Peter endlessly seeking the next adventure without fear of reality? Are you Wendy who yearns to be grown up and put to practice all the "motherly" aspects she learned from her own mother? Mr. Darling who is all order and structure, trying to root his family in reality... but later learns that a little imagination and play is not so bad...

Enjoy being whisked away to Neverland tonight and let our "pixie dust" take over for a bit... perhaps it will ignite some locked away dreams and adventures you once wished for (they still can happen you know!)

Off we go... "Second Star to the Right and Straight on till Morning!"

- Heather Hutchison, Director

AUTHOR BIO

Sir James Matthew Barrie, 1st Baronet, OM (born 9 May, 1860 – 19; died June 1937) was a Scottish novelist and playwright, best remembered as the creator of Peter Pan. He was born and educated in Scotland and then moved to London, where he wrote several successful novels and plays. There he met the Llewelyn Davies boys, who inspired him to write about a baby boy who has magical adventures in Kensington Gardens (first included in Barrie's 1902 adult novel *The Little White Bird*), then to write *Peter Pan, or The Boy Who Wouldn't Grow Up*, a 1904 West End "fairy play" about an ageless boy and an ordinary girl named Wendy, who have adventures in the fantasy setting of Neverland.

Although he continued to write successfully, *Peter Pan* overshadowed his other work, and is credited with popularizing the name Wendy. Barrie unofficially adopted the Davies boys following the deaths of their parents. Barrie was made a baronet by George V on 14 June 1913, and a member of the Order of Merit in the 1922 New Year Honors.
